

## Petition to Stop the NSW Abortion Bill in the Upper House

### Instructions for individuals, parishes, and organisations on how to distribute, collect, and return the Petition for tabling in the NSW Upper House

1. Ask for permission of the parish priest. In most cases the parish priest would have been informed directly by the Archbishop or other bishops within NSW.
2. Go prepared with at least 10 hard copies of the petition including, most importantly, the cover page which sets out in detail the complete wording of the petition.
3. Have enough volunteers ready to assist and be available to answer questions at every parish Mass both before and after.
4. Set up tables for people to write upon and have multiple stations for people to sign with ease. Make sure that there are plenty of pens.
5. The Parliament will only accept original petition sheets with signatures. Photocopies of original petitions will not be accepted.
6. It is fine to send in petition sheets that are not complete. Send in whatever you have with signatures on it.

**The petition needs to be acted upon as soon as possible. Please return the petition by no later than Tuesday, 20 August 2019 to:**
