Help protect human life from conception until death in NSW!

Dear Friend

Earlier this week, the *Reproductive Health Care Reform Bill 2019* (**Bill**) passed the NSW Lower House.

It will now proceed to the NSW Upper House for a vote and, if passed, it will make abortion legal up until birth in NSW, for any reason, as long as two doctors agree if the baby is more than 22 weeks' old.

The Bill has been rushed through Parliament, but there is still time for your voice to be heard in this debate.

We must act immediately to try and stop this Bill.

Please sign this petition to ask Members of the Upper House to vote against this Bill, and to be provided with other opportunities to protect life from conception until natural death in NSW.

The petition needs to be acted upon as soon as possible. Please return the petition by no later than Tuesday, 20 August 2019 to:

Post completed petition pages to:

Right to Life NSW
GPO Box 3621
Sydney NSW 2001

Hand deliver completed petition pages to:

Petition

To the Honourable the President and Members of the Legislative Council of New South Wales

The Petition of certain residents of New South Wales from across the state.

Brings to the attention of the House our strong opposition to the *Reproductive Health Care Reform Bill 2019*.

This Bill, if enacted, will put both mothers and their unborn babies at risk by increasing access to abortion, failing to protect against coercion and having no effective restrictions on late term abortion. Furthermore, it would impose on medical practitioners with a professional or conscientious objection to abortion, an unwarranted new legal obligation to facilitate abortion through referral.

Your petitioners therefore respectfully request that the Legislative Council reject the *Reproductive Health Care Reform Bill 2019* when it comes before the House to be voted on.
