# Safe and Unsafe Situations

There may be times where we find ourselves in unsafe situations. It is really important that we keep ourselves safe and make sure we are in safe environments.

Read each example and circle the happy or worried face to show how safe or unsafe the situation is. The first one is an example.

Chatting with people in games online without permission

Crossing the road without an adult

Being alone in a space without another adult present

## Walking across the road with an adult holding hands

## Running with a candle in the church

## Sitting with family at church

# SOMEONE WILL LISTEN TO YOU

Tell a trusted adult if you or another child is feeling hurt, worried, anxious or embarrassed.

An adult will:

**LISTEN** to what you have to say

They will help you feel **SAFE**

They will **TELL** people who will be able to help you

Your safety comes first! Remember to speak to a trusted adult such as a parent or teacher.
