PRAYER TO SAINT JOSEPH

*For the defeat of the
NSW Euthanasia Bill*

*Raúl Berzosa

To you, O blessed Joseph, do we come in our time of tribulation. We humbly and earnestly implore your powerful assistance in combatting the threat to human life posed by the NSW Euthanasia Bill.

Through that love which bound you to the Immaculate Mother of God and with which you embraced the Child Jesus, we humbly beg you to have kind regard for our vulnerable brothers and sisters whose very existence this Bill threatens. Come to their aid Oh Hope of the Sick and Patron of a Happy Death, that they may be comforted and protected by Jesus Christ your Son whose Precious Blood was shed that they may have life and have it in abundance.

Oh Guardian of the Holy Family, defend us in this time of difficulty. Most loving father, guard us from every contagion of error. Mighty protector, intercede for us that this death dealing Bill may be defeated. Amen.
