MESSAGE FROM THE CENTRE DIRECTOR

DANIEL ANG

Established by Archbishop Anthony Fisher OP, the Sydney Centre for Evangelisation dedicates itself to the support of parishes, migrant chaplaincies and other Eucharistic communities in their fidelity to the person and mission of Jesus Christ. Working together with Bishop Richard Umbers, our Episcopal Vicar, for Evangelisation, the Centre seeks to serve the Church’s fundamental mission, bringing Christ to Sydney and Sydney to Christ.

We believe that every parish and Eucharistic community is a true sign and witness to the presence of Christ, a people gathered around the Word and sacraments where faith is nurtured into discipleship and enters the world through word and deed. In this way, every parish, migrant chaplaincy, and ecclesial movement is a dwelling place of the Holy Spirit who keeps us faithful to Jesus in the present and sends us out to share his Good News with boldness.

Whether assisting local communities in the work of parish renewal, accompanying the newly engaged in their journey to marriage, or sharing the Good News of the Church in Sydney through digital media and communications, our staff are committed to serving the spiritual needs of a changing city and suburbs and to supporting the call to discipleship which is made to all.

In this changing landscape, we are challenged as a Church to be bold and creative in proclaiming Christ, preaching the abiding Gospel in new ways and supporting our communities as outposts of Jesus’ Great Commission.

We honour and celebrate the rich faith and good works that are already present and active in our parishes and communities, and at the same time hear the Gospel’s call to ongoing conversion and constant spiritual renewal.

As shared by Archbishop Anthony, “We have great scope and desire to increase the practical support of local communities in their focus on being and making disciples, in their mission to constantly evangelise the hearts of parishioners, invite baptised Catholics back into active involvement in the Church, and reach out to those who do not yet know Christ and that their home is with us.” It is this mission that our Centre serves.

Yours in Christ,

Daniel Ang

In alignment with the vision of the Archdiocese, Sydney Catholic Youth seeks to evangelise by inviting young people to encounter the joy of Christ and His Church. It seeks to equip leaders to: follow Christ, lead others, discern vocation and build up God’s Kingdom; create and facilitate the experience of intentional Christian community; support and build up young people in holiness, faith and understanding; and, raise their hearts and minds to God in worship and prayer.

Sydney Catholic Youth lives out these priorities in three key areas: parish youth ministry; engaging primary and secondary schools in the Archdiocese in conjunction with Sydney Catholic Schools to foster greater communication, formation and support within the schools between teachers, students and the Church; as well as, connecting students with their parishes and other activities.

The Catholic Weekly is sold in parishes via digital and print around Australia and the world. The paper also maintains a digital news website catholicweekly.com.au, Facebook and Twitter pages.

This ministry supports the mission of the Church by reporting on inspiring ways in which Catholics and communities can make Christ known to the world. It seeks to inspire others by what they see and read, whether it be in families or parish communities.

Our platforms report on state, national and international news relevant to the Church, so that Catholics have a reliable source of information.

We are especially committed to supporting parish priests as the leaders of our parish communities, and seek to be a resource to which they can turn to help share good news with a wider audience. Details of parish news, including contacts, can be sent to cweditor@catholicweekly.com.au

Blessed are you, Father, who, in your infinite love sent us your only-begotten Son, Jesus Christ, that we may have life, and have it in abundance.

By the power of the Holy Spirit, renew our Eucharistic communities.

May they be places of encounter with the living Christ, centres of evangelisation and outreach to our community in love and mercy.

Grant us the gifts of faith, hope and love to be faithful disciples of Jesus and radiant witnesses to the people of Sydney.
